

**IMPORTANT:** If you were successful in getting a signed **Broadcast Rights & Synchronization License for Musical Composition/Song - Form 3** either because you personally know the owners or because you negotiated this license from the publishers, then submit that to NECAT as proof of your music licensing instead of this Cue Sheet. If the owner(s) of all the rights to a musical composition/song grant you permission to use it via Form 3, there is no need to complete this Cue Sheet - Form 6. Otherwise you need this for every song in your episode.
